

## **MPR Id 484761(Administrator access)**

**Problem Statement:** To provide Administrator access to Komal and Prateek or grant opportunity editable access to Biz Ops role.

### **Solution:**

1. Go to the User object and search for Komal in the search bar.
2. Open Komal Agarwal's user, edit it and in Access Permission tab assign Administrator role.
3. Perform the same steps for Prateek Bansal as well and assign the role.

Name	Code	Description
