

## Known Issue: Allocated time of the project has been consumed

**Subject:** - Facing Error while Creating New Requirement ID.

**Issue Details:** - Facing Error (allocated time of the project has been consumed) while creating a new requirement id for project in CRMNext Portal. Below is the error screenshot.

## Resolution Steps: -

We need to increase the Estimated Effort Hour on the Project detail page to resolve this issue.

Please follow the steps below:

### **Step 1: Go to project object.**

The screenshot shows the CRM NEXT software interface. The top navigation bar includes a home icon, the CRM NEXT logo, a search bar labeled 'Projects', an 'Advanced' button, and a magnifying glass icon. Below the navigation is a toolbar with 'New' and 'Print' buttons. The main content area is titled 'Projects' and shows a list of 'Recently Accessed' projects. Each project entry includes a date (01 AUG), a green circular icon, the project name, the project ID, and the assigned user. The 'ToolBox' sidebar on the right contains links for managing page layouts, data import, search lists, alert rules, assignment rules, business enforcement rules, conditional access, alerts, custom action buttons, custom fields, escalation, process lists, and project task types. A circular icon with a gear and checkmark is also present in the toolbox.
